## ABOUT

Darling Ingredients, headquartered in Irving, Texas, is a global leader in creating sustainable food, feed, and fuel ingredients. With over 270 facilities and 14,000 employees, Darling Ingredients helps move towards a circular economy by repurposing millions of tons of material from the animal agriculture and food industries to nourish people, feed animals and crops, and fuel the world with renewable energy. They provide rendering, used cooking oil, bakery residual recycling, and recovery solutions to the food industry, contributing to environmental sustainability and giving nature a second life.
