ABOUT

DC Excavation is an experienced provider of demolition services, as well as roll off dumpster rentals and junk hauling services. No project is too big or too small for our junk removal company. We even offer dumpster rentals in a variety of sizes. Our demolition services are available on a private, local and state level. We take care of everything, from shed demolition to construction project cleanup. We can demolish your driveway to make way for a new one or provide you with new property drainage solutions.
