## ABOUT

Delaware Auto Salvage Incorporated is a customer service dedicated auto salvage business that has the connections to make the cars for cash in New Castle, DE easy. Our goal is to offer every customer who works with us the most for their unusable junk car. This reduces any strain associated with the vehicle, as well as provides an environmentally friendly and financially rewarded means of disposal. Our commitment to the custom design and fabrication of wrought iron fencing, gates, interior and exterior railings, and rose arbors sets us apart in Southeast PA.
