

COMPANY PROFILE

Des Moines County Regional Solid Waste Commission

dmcwaste.orgABOUT

The Des Moines County Regional Solid Waste Commission is an intergovernmental 28E agency serving the Southeast Iowa region. Established in October 1990, the commission is dedicated to providing its member communities with environmentally sound, fiscally responsible solid waste disposal and resource recovery services. The commission operates the Area Recyclers facility in Burlington as well as the Des Moines County Regional Landfill and the HazChem Center in West Burlington.
