# DiMeglio Septic,

[dimeglioseptic.com](http://dimeglioseptic.com)**ABOUT**

DiMeglio Septic is a company that specializes in septic pump outs, grease trap cleaning, jetting services, and portable toilet rentals. They are known for providing the best septic pump out services in South Jersey. The company was founded by John DiMeglio, who believed in the importance of service and integrity in the waste industry. Although John is no longer with us, his sons Paul and Mark continue to uphold his work ethic and successful business model.
