DIX AUTOMOTIVE

Our goal here at Dix Auto Recyclers is to provide YOU, the customer, with the best service and parts available. We also strive to keep our business environmental friendly for our community. In the late 1930's, Dix Automotive was opened. Almost 80 years later, Dix Auto Recyclers is still owned by the founding family in what is truly an American story. The original founder came to this country with only 25 cents in his pocket, which in turn grew to be the second largest purchaser of recent model vehicles in Michigan. In June 2008, a devastating fire rampaged through our building, nearly destroying it all. After only 2 short days, we were up and running from a small building across the street. We, as a company use that determination as our motivation to bring you the best service and parts available.
