## ABOUT

Don & Davis Sanitation is a company based in Johnson City, TN that specializes in providing portable toilet and waste management services. They offer septic tank cleaning and inspection, as well as rental services for portable toilets and hand washing stations for events and construction sites. They are committed to providing high-quality portable toilets and ensuring customer satisfaction. In addition to their rental services, they also offer septic tank services for properties that already have a septic tank system in place. Don & Davis Sanitation is dedicated to meeting the portable waste management needs of their customers and providing the best value for their services.
