

COMPANY PROFILE

Dr. Demo Demolition Services

drdemo.com

ABOUT

Dr Demo Demolition Services is the best demolition contractor in San Diego county. They offer a range of services including structural demolition, selective demolition, concrete breaking and removal. Their structural demolition services include complete structural and building removal. Selective demolition includes partial demolition for remodeling projects and tenant improvements, such as interior guts, exterior stripping, concrete demolition, and partial structural demolition. Dr Demo Demolition has the right concrete removal equipment for any project, from heavy equipment to electric chipping hammers. They specialize in four types of demolition-related work: structural demolition, selective demolition, concrete cutting, and concrete removal. Dr Demo Demolition Services is a licensed and insured demolition contractor in San Diego, providing fast and efficient services.
