

## COMPANY PROFILE

# Dumpster Hog

[dumpsterhog.com](https://dumpsterhog.com)ABOUT

Dumpster Hog is a company that provides mobile dumpster waste compaction services. They help reduce costs and production bottlenecks by compressing waste, which saves on dumpster replacement costs and overfill costs. Compressed waste also leaves a smaller footprint and is better for the environment. They offer their services in Boise, Nampa, Meridian, Kuna, Caldwell, Ada, and Canyon Counties, and also provide national service for custom projects.
