ABOUT

Earth Works Landscaping and Nursery is a full-scale garden center located in Russellville, Arkansas. Established in 1996, we specialize in helping clients increase the value and beauty of their homes by creating elegant outdoor living spaces. Our services include landscaping, irrigation, water features, Koi ponds, sod/hydroseeding, patios, retaining walls, Christmas lighting, drains, trimming, and mulching. Whether you prefer to do it yourself or have us handle the landscaping, we have the plants, materials, and expertise to ensure your landscape is the best in town. Our team takes great pride in our workmanship and is committed to providing the highest quality service. Visit us at our world headquarters in Russellville or check out our website at www.getearthworks.com for more information.
