## ABOUT

EcoGreen Solutions, LLC is a company founded by environmental professionals with over 25 years of global experience. They provide a broad range of environmental services to support organizations and businesses in achieving economic growth while maintaining sustainability. Their expertise includes groundwater issues, quantitative data analyses, design evaluation, regulatory negotiation, and litigation support. They offer services for municipalities, project management, energy audits, environmental sustainability, water resource management, health & safety plans, regulatory permitting, and compliance. EcoGreen Solutions is certified as a Small Business Enterprise (SBE), Minority Women Business Enterprise (MWBE), and Federal Disadvantaged Business Enterprise (DBE) in various states and cities. Visit [ecgrn.com](http://ecgrn.com) for more information.
