

## COMPANY PROFILE

# Extreme Recycling

[extremerecyclinginc.com](http://extremerecyclinginc.com)ABOUT

Extreme Recycling, Inc. is a leading environmental services company with a strong commitment to sustainability. Operating two zero landfill tolerance facilities in California and Kansas, we recycle a wide range of materials including paper, plastic, metal, and electronic components. Founded in 2005 by Dino De Marco, our services encompass asset management, data destruction, recycling, and electronics processing, making a positive impact on the environment at various levels.
