A B O U T

"The BEST Waste Disposal and Recycling Services in Grant, Iowa and Lafayette Counties" Faherty Incorporated has been family owned and operated since 1892 and is now in our 4th generation. We service residential, commercial and industrial customers throughout Grant, Crawford, Iowa and Lafayette Counties: Just let us know the size of container you need, and when and where to deliver it. When you're finished with your project, we'll pick up the bin and make disposal of the materials our problem, not yours! We also offer customized recycling collection for a variety of materials, including fiber, plastic bottles, glass, paper, and more! Call, fax or email us for details on how we can help with your next recycling or waste disposal.

PLASTICS: Household container plastics # 1 through #7 are recyclable. Plastic bags (grocery, newspaper, etc. – no black or brown bags) that are clean and dry should be placed inside a clear or transparent bag and tied shut; full bag should be no larger than a basketball. Plastic items that are not recyclable include: formed styrofoam, packing peanuts and oil bottles.

METALS: Tin and Aluminum Food, Beverage, and Aerosol cans, can be recycled. They should be empty and the plastic tops removed. Cardboard sided juice cans and paint cans are not recyclable. Small items of scrap metal may also be recycled (pots, pans, toasters, etc.), nothing smaller than 2 inches or larger than a basketball and weighing more than 10 lbs.

GLASS: Green, brown and clear bottles and jars only. Windows, mirrors, glassware, ceramics, and lightbulbs are not recyclable.

PAPER: Newspaper, magazines, office paper, phone books, paper milk and juice cartons and junk mail should be placed loose in the recycling bin. Tissue or paper towels, food and candy wrappers are not recyclable. Gift wrapping paper (non-foil type) is also recyclable.

CARDBOARD: All cardboard boxes including paperboard (cereal boxes, etc..) are recyclable. Wax and plastic coated cardboard are not recyclable. Please flatten boxes; pieces should be no larger than 3 feet by 3 feet.
