

COMPANY PROFILE

Flint GFL

gfflint.com

ABOUT

Flint GFL is the golden standard for environmental services throughout Michigan, offering solid waste management solutions on any budget. Providing the highest quality waste collection solutions for Flint County and surrounding areas. Our roll off dumpsters are perfect for collecting your next projects waste. These containers are designed for gathering items that are not accepted in your regular dumpster. From scrap wood to building materials, the open top roll off cans are intended to make your life easier. You can rely on Flint GFL to provide complete solutions for your waste collection needs. We will formulate a convenient pickup schedule and ensure that your waste is disposed of properly and responsibly.
