

## COMPANY PROFILE

# Free Green Can

[freegreencan.com](http://freegreencan.com)ABOUT

Free Green Can ([freegreencan.com](http://freegreencan.com)) is a company dedicated to making public recycling a reality by providing public recycling solutions for municipalities, sports venues, colleges, retailers, and special events across the country. They offer free cans and ongoing maintenance to hosts, funded by revenue from advertisers and sponsors who are credited for promoting public recycling at host locations.
