ABOUT

G&M Recycling & Disposal Inc - Streator, IL - Founded in 2013, G&M Recycling & Disposal Inc. has grown into one of Central Illinois' most trusted names in metal recycling and disposal services. Located in Streator, IL, we proudly serve communities across the region with a commitment to integrity, efficiency, and environmental responsibility. What started as a small operation with a big vision has become a premier recycling center and scrap metal dealer known for exceptional service and competitive pricing. We specialize in the recycling of ferrous and non-ferrous metals, including copper, brass, tin, iron, and stainless steel, helping our customers turn unwanted materials into valuable resources. At G&M, we believe recycling should be simple and accessible. That's why we offer convenient drop-off recycling options and reliable roll-off dumpster rentals to support projects of all sizes. Whether you're a homeowner, contractor, or business owner, we're here to make your cleanup and recycling process smooth and stress-free. Our mission is clear: to lead the way in sustainable practices while being a dependable partner for all your recycling and disposal needs. Contact us today to learn how G&M Recycling & Disposal Inc. can help you make a positive impact on your project and the planet.
