

## COMPANY PROFILE

# GBG Recycling Solutions

[gbgpr.com](http://gbgpr.com)

## ABOUT

GBG Recycling Solutions provides the best solution for managing all types of solid waste, recyclable materials, and organic materials in Puerto Rico. The company was born from the initiative to unify recycling companies and waste transportation services into a single comprehensive service provider. GBG's process includes a free waste characterization analysis to identify resources that can be removed from the waste stream, offering customized solutions that save money, streamline operations, and ensure compliance with all laws.
