ABOUT

Give IT. get IT. (giveitgetit.org) is a 501(C)3 nonprofit organization dedicated to promoting digital inclusion by refurbishing surplus corporate technology, providing computer training, and supporting disadvantaged individuals, families, and nonprofits. With a focus on sustainability and data security, they have processed over 6 million pounds of retired technology, diverted 1.7 million pounds from waste, and empowered over 40,000 people in New England with computer ownership and support.
