## ABOUT

Global Environmental Products (GEPLTD) is a minority-owned company that specializes in providing industrial absorbents, spill cleanup products, secondary containment products, and innovative waste management solutions. Our range includes booms, pads, rolls, pillows, socks, spill kits, spill pallets, and overpack drums. We offer quality products at competitive prices and have a unique recycling program that converts waste absorbents into energy through a 'Waste to Energy' process. Contact us at +513 984 5444 or visit our facilities at 4624 Interstate Drive, Cincinnati, OH for all your environmental product needs.
