## ABOUT

Golden Eagle Precious Metals Exchange is a leading provider of precious metals services. We offer a wide range of services including buying and selling gold and silver bullion products, providing liquidity options to the general public and industry professionals, and offering access to a variety of high-quality precious metal bullion products. Our goal is to provide our customers with the highest possible rates for their scrap and precious metal items. We are committed to setting new standards in the industry and providing exceptional service to our customers.
