

COMPANY PROFILE

Golden Valley Pumping Co. - Grease Trap Services

goldenvalleypumping.com

ABOUT

Golden Valley Pumping Co. is a company based in Fresno, California that provides a range of services including grease trap pumping, used cooking oil collection, septic tank services, and more. They strive to be the top quality and most affordable provider of grease trap and plumbing services in the area. They offer top quality used cooking oil collection services to restaurants, hotels, grocery stores, schools, corporate campuses, casinos, and other businesses. Their goal is to help businesses save time and money by providing efficient and cost-effective solutions for used cooking oil disposal.
