## ABOUT

Greg's Cleanouts LLC is a junk removal and demolition company that specializes in cleaning up residential and commercial properties. They offer services such as clearing out unwanted junk, safely removing hazardous appliances, removing old or unwanted furniture, cleaning out houses or offices, removing rubbish, and demolition work. They ensure that each recyclable item is disposed of securely and sustainably. Additionally, they provide a 10% discount to senior citizens and veterans. Customers can get a free estimate by calling, and on-site estimates can be completed at any time.
