

COMPANY PROFILE

Henriksen Contracting

henriksenwashout.comABOUT

Henriksen Contracting is a company that specializes in concrete sawing, drilling, joint sealing, and demolition. They offer state-of-the-art concrete washout container systems for any size or type of job. With the new laws and regulations, concrete washout containers are becoming a construction industry standard. Henriksen Washout Systems provides a safe, clean, and environmentally friendly alternative to traditional worksite washout pits. They have the necessary tools and expertise to meet their customers' needs.
