

COMPANY PROFILE

Hoffman Estates

hoffmanestates.orgABOUT

The Village of Hoffman Estates is a full-service community with a population approaching 55,000, offering excellent access to major attractions in the Chicagoland area. Known for top-quality accommodations, restaurants, shopping, and various attractions, it is a premier suburban community in Illinois. The Village focuses on business and economic development, growth management, and provides good employment opportunities, educational amenities, and modern infrastructure for future growth.
