ABOUT

I Trash It is a junk removal and bin rental company based in Barrie. We provide residential and commercial junk removal services, from a single item to multiple truckloads. Whether you are renovating, settling an estate, spring cleaning, or simply moving, our professional teams will clear it all for you hassle-free. Contractors and businesses also love our professional junk removal services. Our clients range from builders, property managers, and real estate agents to retail stores and offices. We are committed to providing efficient and reliable service to our customers.
