

## COMPANY PROFILE

# Integrity Inspection Solutions

[iispipeline.com](https://iispipeline.com)ABOUT

Integrity Inspection Solutions is the leading service provider for pipe inspection, cleaning, pipelining, and hydro excavating solutions. Whether you maintain 5 or 500 miles of pipe, we can help. Our expert team assesses clients' specific needs and implements the safest and most effective services for cleaning, inspection, hydro excavation, and rehabilitation. We have a history of working with municipal partners to build, maintain, and optimize buildings and sewers.
