ABOUT

Interior Waste Solutions is Kamloops' most flexible roll off bin rental company and demolition experts. They offer convenient and cost-effective dumpster rentals for managing construction or project waste. They provide services for all types of demolition projects, as well as waste removal for new construction, renovations, paving and concrete removal, roofing and siding projects, junk removal, and landscaping debris. Interior Waste Solutions makes project waste management easy by dropping off the dumpster bins, allowing customers to fill them up, and then hauling them away on their schedule.
