

COMPANY PROFILE

International Scrap Metal

internationalscrapmetal.com

ABOUT

International Scrap Iron & Metal Inc. is a family-owned and operated business that has been a trusted buyer of ferrous and non-ferrous metals for over 85 years. Based in Trainer and Chester, PA, we serve customers in PA, NJ, DE, and MD. We offer a range of services including scrap metal recycling, roll-off container service, and competitive pricing for both ferrous and non-ferrous metals. Our goal is to provide the best possible experience for our customers, whether they have a one-time recycling need or an ongoing need for services. We welcome industrial, commercial, and all types of clients throughout the community.
