Interstate Batteries

interstatebatteries.comABOUT

Outrageously Dependable service and products since 1950, Interstate Batteries offers quality batteries, industry leading expertise, and superior customer service. Built to top industry standards, Interstate Batteries has been technician's choice for 9 years and counting and is the No. 1 replacement brand battery in North America. Our business is powered by a Distributor network of 300 wholesale warehouses and backed up by more than 200,000 Dealers around the world as well as 200 All Battery Center franchise stores. Guided by a set of common values, we're committed to enriching lives as we deliver the most trustworthy source of power to the world – now, and for generations to come. At Interstate we are driven by our unique combination of proven experience, integrity and heart – determined to meet the needs of those we serve today, while thinking ahead to what they'll need tomorrow. We are committed to standing behind everything we do and delivering the excellence that professionals trust. Now over a billion dollar, privately held corporation, Interstate thrives on our innovation and our old fashioned business principles – founded on treating others like we would like to be treated. Our strong company culture and commitment to our employees have also earned us spots among the Top 100 Places to Work with the Dallas Morning News and on the list of Top 150 National Places to Work. Three lines of business make up our enterprise, employing more than 1,700 team members nationwide. Interstate Batteries and Our Distributor Network Interstate Batteries Recycling, Inc.
