ABOUT

J&D Recycling was founded in 1993 and our original location was on 312 Lincoln Street in the parking lot of 11C Market. We then expanded to a second location on 4th Street in the ally behind the Pilot Plaza (Safeway Shopping Center). In 2003 we purchased the old McKee Electric buildings at 1277 Kern Street. Our new warehouse had ample room to recycle in the shade during those hot summer months and keep you out of the rain in the cold winter season. We are a family owned business. Dean and Jan Rowden have been married since 1974. Their daughter Becky (age unknown) and her husband Neil have worked for J&D Recycling since high school.
