## ABOUT

Jarrells Top Dollar Recycling is a metal recycling company based in Savannah. We specialize in buying and recycling various types of metal, including aluminum, copper, brass, and steel. Our goal is to provide a convenient and profitable solution for individuals and businesses looking to dispose of their metal waste. With our competitive prices and efficient recycling processes, we ensure that our customers receive top dollar for their scrap metal. Whether you have a small amount of metal or a large industrial load, we have the capacity to handle it all. Visit our website or contact us today to learn more about our metal recycling services.
