A B O U T

We have been in the scrap business since 1997. We are the friendliest recycling center in Washington. From the moment you come in the gate, you will feel welcome. We pride ourselves on being Big Blue where you can come and get your BIG BUCKS! We pay more than our competitors for all ferrous and non-ferrous metals. We offer pickup of your automobile and scrap steel. We not only have customers here, we have friends. We do appreciate your support over the years and look forward to many more years serving the Franklin County area.
