

COMPANY PROFILE

John Milner Associates

johnmilnerassociates.comABOUT

JMA, since its founding more than four decades ago, has dedicated itself to historic preservation and cultural resources management through continued development of the myriad disciplines that support and promote a holistic approach to saving and preserving our nation's irreplaceable historic resources. Our multidisciplinary staff of landscape architects, historians, architectural historians, architectural conservators, preservation planners, and archeologists is constantly evaluating and incorporating state of the art technologies, keeping abreast of new regulations and standards that affect our treatment of land and its extant and buried resources, and, most of all, enjoying its participation in and contribution to the exciting, challenging world of historic preservation.
