## A B O U T

Beginning in 2008 as Sharp Recycling, JRT emerged from this thriving industry in 2015 at their new Jonesboro location. While Sharp Recycling continues to proudly serve the Pocahontas, AR area, the Jonesboro Recycling Team opens its doors to welcome residents in the surrounding areas. At JRT our goal is to provide Jonesboro and other communities with the same great service that can't be matched anywhere else. We are a full service metals recycling center with modern equipment capable of getting you in and out in a timely manner while maximizing the value of your load. Jonesboro Recycling Team began in 2008 as Sharp Recycling. Sharp recycling has evolved to be a leader in the recycling industry and serves the Pocahontas, AR area. Now in 2015, the new facility at 5403 Vance Drive, Jonesboro, AR has opened its doors under a different name. Our goal is to provide Jonesboro and the surrounding communities with the same great service our current customers have come to expect. We are a full service metals recycling center with modern equipment capable of getting you in and out in a timely manner while maximizing the value of your load. Roll Off Bin: JRT performs pickups usually within 24 hours of notice. We have scrap bins to accommodate regular recycling intervals ranging in sizes of 15, 30, 40 and 50 yds when using our roll off bin services. These services have proved to be ideal for the one time, weekly, monthly and on call recycling intervals. Larger Trucks / End Dumps / Tractor Trailers: For larger jobs, we utilize tractor trailers, end dumps, flat beds or vans. Typically, a 24 hour notice allows for time to do a pickup or drop off, but with larger jobs its best to contact us earlier if at all possible. Equipment: We have all the equipment needed in our fleet to assist your needs. Everything from forklifts, excavators, grapples, torches, a tow truck and the man power to get it done. We offer free pick up on vehicles. Portable Crushing: Within our fleet, we have two Al John portable bailers available. The bailers can be moved to salvage yards; from there we can clean up unwanted vehicles or parted out vehicles, load them on a trailer and have them hauled away. The goal of Jonesboro Recycling

Team is to help keep our environment clean while giving you the opportunity to make extra cash! If you have unwanted or broken items in your home or business, don't throw them away! Bring them to us instead! We will help you unload your items and we will weigh them to ensure you get the most profit for your contribution! Dirt, Rocks or Concrete Refrigerator Contents (Spoiled Food) Tube Televisions Radio Active Metals Plastic, Paper, Cardboard, Wood
