

## COMPANY PROFILE

# Junk Moor,

[junkmoor.com](http://junkmoor.com)ABOUT

JUNK MOOR is an eco-friendly junk removal and demolition company that focuses on donating or recycling at least 70% of the items they haul away to reduce waste pollution. They aim to prevent contributing to landfill waste sites, which release harmful chemicals and greenhouse gases, impacting the environment and communities. JUNK MOOR is a licensed home improvement contractor, licensed waste management contractor, and fully insured. Help them help each other by supporting their mission to promote environmental sustainability.
