

## COMPANY PROFILE

# Key Recycling Center

[keyrecycling.com](http://keyrecycling.com)ABOUT

Key Recycling Center is a full-service contractor that provides quality recycled products and services to industrial and commercial clients in Maryland. We specialize in accepting and disposing of bulk loads of dirt, rubble, concrete, and asphalt. Our recycling process for concrete and asphalt is both environmentally and economically beneficial. By recycling demolished buildings, parking lots, and roads, we help preserve landfill space while producing valuable aggregates. If you have piles of concrete, asphalt, or other raw materials that need to be disposed of, Key Recycling Center is here to meet your needs.
