

## COMPANY PROFILE

# L&S Demo Recycling

[l-sdemorecycling.com](http://l-sdemorecycling.com)ABOUT

L&S Demo Recycling is a Pennsylvania DEP approved C&D transfer station and recycling center, processing 1000 tons per day. They provide trash disposal services for haulers, contractors, homeowners, and apartment owners, along with wood, concrete, and dirt recycling. Offering reasonable rates, they are your go-to for eco-friendly waste management solutions.
