

COMPANY PROFILE

LampMaster

lampmaster.comABOUT

LampMaster is a leading provider of Prepaid Mail Back Recycling Kits, offering a convenient and eco-friendly solution for recycling waste materials. Their all-inclusive kits cover container costs, material processing, and shipping, making recycling hassle-free for businesses of all sizes. With LampMaster, customers can easily order online or via phone, choose from a variety of boxes, and enjoy automatic reordering options. From small offices to global warehouses, LampMaster ensures compliance with DOT and EPA regulations, providing a sustainable recycling solution on demand.
