ABOUT

Lashin's Auto Salvage is a family owned and operated business in Oxford, ME. We offer a wide variety of used parts for cars, trucks and SUVs. We have 35 years of experience and started the business to make it easier for body shops, mechanics, car dealers, and the public to find the parts they need. We provide quality parts and friendly service from a crew who is easy to deal with. Visit our website or call us to view our inventory or inquire about ordering a specific part.
