ABOUT

Limerick Public Library is a community library that provides a wide range of services and resources to the residents of Limerick, ME. The library offers a diverse collection of books, magazines, and audiovisual materials for all ages. In addition to physical materials, the library also provides access to digital resources, including e-books, audiobooks, and online databases. The library hosts various programs and events, such as storytimes, book clubs, and workshops, to promote literacy and lifelong learning. The friendly and knowledgeable staff are available to assist patrons with finding information, using library resources, and answering questions. Limerick Public Library is committed to serving as a hub for community engagement, education, and enrichment.
