

COMPANY PROFILE

Litts Portable Toilets

littsportabletoilets.com

ABOUT

Litts Portable Toilets is a company that provides premium portable toilets and complete septic service. They offer installation, septic tank pumping, and service for all septic and porta potty needs. They also have a wide selection of portable toilets available for rental, from basic to those with sinks. Additionally, they offer septic tank replacement with a full line of concrete and poly tanks. If your septic tank is full, they provide septic tank pumping service.
