ABOUT

Long Island Decking Inc. is a premier Long Island deck builder specializing in Trex Pro Platinum composite decks and Cambridge patio pavers. They offer a wide range of outdoor living products and services including landscape design, deck lighting, irrigation, patio furniture, outdoor kitchens, grills, and more. With expertise in complete backyard design and build, they provide free in-home design consultations and have been serving as Long Island deck builders since 1999. Contact them at 516-594-0390 for Nassau County to build your dream deck today.
