## ABOUT

M SMITH PAVING AND SEALCOATING is an asphalt paving contractor based in Richmond, Virginia. They specialize in providing asphalt paving, sealcoating, crack filling, concrete, and tar&chip services for residential, commercial, and parking lot projects. They serve various areas including Chesterfield, Powhatan, Goochland, Cumberland, Buckingham, Hanover, Prince George, Petersburg, Dinwiddie, Charles City, New Kent, Charlottesville, and beyond. Their services for residential projects include driveways, private roads, farm lanes, and subdivisions. They offer design layout, grading, gravel, asphalt paving, tar and chip, and oil base seal coating.
