## ABOUT

Major Metals is dedicated to providing excellence in premium scrap metal consulting, brokering and servicing. We believe that maximizing scrap metal returns for our customers can only be achieved through trusted partnerships, applied experience and creative thinking. Working together we strive to achieve greater returns throughout the supply chain. Since its inception, Major Metals has been driven by our core values; honor, trust, and integrity. Together these shape the culture of our business and the brand promise to our customers and business partners. HONOR: TRUST: INTEGRITY: We value a high and mutual respect for creating value. We will always strive to better understand your needs and recommend the optimal solution that will benefit your bottom line. Our practice of open and honest two-way communication has forged the long-term relationships we hold with our business partners. We speak with confidence and through our experience, always matching our behaviors to our words. Our reputation is our resume. We are ethically unyielding, reliable and always act with our customers' best interest in mind.
