

## COMPANY PROFILE

# Martin Scrap Metal

[martin scrap metal.com](http://martin scrap metal.com)ABOUT

Martin Scrap Metal & Recycling is a leading provider of scrap metal recycling services. We specialize in the collection, processing, and recycling of various types of metal, including ferrous and non-ferrous metals. Our state-of-the-art facilities and experienced team ensure efficient and environmentally-friendly recycling processes. We offer competitive prices for scrap metal and provide convenient drop-off and pick-up services. Whether you are an individual looking to dispose of old appliances or a business with large quantities of metal waste, we can handle all your recycling needs. Choose Martin Scrap Metal & Recycling for reliable and sustainable metal recycling solutions.
