MAV INDUSTRIAL INC

rpsanitation.com**ABOUT**

Rouses Point Sanitation, LLC. provides the North Country area with quality roll off dumpsters for the safe removal of debris. They have a fleet of 22 containers, ranging from 10 yard to 20 yard, which are ideal for small projects like cleaning up a shed or attic. The low starting cost saves time and money, and each container can hold approximately 3.5 pick-up truck loads of garbage. They also offer 1 ton of garbage for free and pricing can be obtained by calling. These dumpsters are also suitable for larger cleanup projects and renovations, such as flooring.
