## ABOUT

Medina's Junk Removal is a family-owned recycling and junk removal company that has been providing quality services in Orange County, Los Angeles County, San Bernardino County, and Riverside County in California since 2003. They specialize in the removal of scrap metals from construction sites, factories, garages, warehouses, and homes. They offer junk pick up, disposal, and recycling services, helping communities with sustainability by recycling unwanted goods. With many satisfied residential and commercial clients, they are capable of handling various removal projects. Contact them at 714-331-5092 or 714-776-4221 to get rid of your junk.
