## ABOUT

Mendo Recycle is a company that provides services for hazardous waste disposal and recycling. They have a hazardous waste facility where customers can bring items such as used oil, chemicals, and pesticides. The facility is open on Wednesdays and the second Saturday of the month from 8am to 2pm. They also organize Hazmobile events for hazardous waste collection. In addition, Mendo Recycle accepts food and other organic waste for composting. Customers can put meat, eggs, bones, cheese, vegetable, and fruit scraps in their green bin along with yard waste.
