

COMPANY PROFILE

Miami Metal Recycling

miamimetalrecycling.com**A B O U T**

At Miami Metal Recycling and its subsidiaries we are committed to actively pursue the means for growth and success by providing our employees and customers the opportunity to partner with us to create long-lasting relationships that embody the utmost honesty, integrity and professionalism. Our dedication to this philosophy has allowed us to separate ourselves from others in our industry. MMR and each of our subsidiaries consider our industrial customer base one of the most important ingredients in our recipe for success. We genuinely believe that we are employed by our customers, and our creed promotes what every customer wants. We realize that to achieve our quality service standard, we must provide value-added service. We have made it common practice to provide value-added service for our industrial customers, but we also place an extraordinary emphasis on relationship. The relationships that we develop and maintain with our industrial customers are a primary ingredient in our value-added service philosophy. We would sincerely like to partner with you and your company to build a long lasting business relationship.
