

## COMPANY PROFILE

# Midwest Computer Recycling

[ez2recycle.com](http://ez2recycle.com)

## ABOUT

Midwest Computer Recycling is a professional electronic recycling service that offers safe disposal of old computers and other electronic equipment. They accept a wide range of items including laptops, monitors, printers, circuit boards, servers, and more. Their drop-off location is open 24/7, and they provide a convenient box for easy drop-off. Please note that tube type TV sets and CRT monitors are not accepted outside of business hours.
